

Decentralised Planning

DECENTRALIZED PLAN SECTION

Dr.S.N.Sinha

Class-B.A.Part-III

Decentralised Planning (DCP) was introduced in Haryana State during 1985-86 and is being implemented by the State Planning Department .Every year funds are earmarked by the State Govt. These funds are allocated to districts as untied funds on the basis of their backwardness for execution of development works / schemes such as:

- 1. Pavement of streets
 - 2. Construction of community centers
 - 3. Special repair of school building
 - 4. Repair / renovation / completion and construction of chaupals
 - 5. Veterinary dispensaries
 - 6. Panchayat ghars
 - 7. Provision of drinking water
-
- 8. Providing / improving sewerage system and street lights facilities in the villages as well as in the slum areas of the towns.

An individual work / scheme is undertaken upto Rs. 2.00 lakh.75% of the total funds are spent on development works in rural areas and 25% in urban areas.25% of the total funds are spent on the schemes benefiting scheduled castes in rural / urban areas in the district.

Objective Decentralised Planning Scheme

Main objective of providing untied funds is to allow District Local Area Development Boards to identify development schemes / works to be executed by the Haryana Govt. Departments / undertakings in their respective districts which are not undertaken or lying unfinished due to lack of availability of funds from their normal plan programme / scheme
